## 1. ASTRASYN SYRINGES- 2ML

Centric needle Tip

Polypropylene Material

Needle Size : 24G X 1 Inch

Shelf Life : 5 Years

## 2. ASTRASYN SYRINGES- 3ML

Centric needle Tip

Polypropylene Material

Needle Size : 24G X 1 Inch

Shelf Life : 5 Years

## 3. ASTRASYN SYRINGES- 5ML

Centric needle Tip

Polypropylene Material

Needle Size : 24G X 1 Inch

Shelf Life : 5 Years

## 4. ASTRASYN SYRINGES- 10ML

Centric needle Tip

Polypropylene Material

Needle Size : 21G X 1.5 Inch

Shelf Life : 5 Years

## 5. ASTRASYN SYRINGES- 20ML

Acentric needle Tip

Polypropylene Material

Needle Size : 21G X 1.5 Inch

Shelf Life : 5 Years

## 6. ASTRANEB MESH NEBULISER

### HANDHELD NEBULISER

Polypropylene Material - ABS Body  
Easy to Carry - Portable  
Noise level below 50DB

## 7.ASTRANEB COMPRESSOR NEBULISER

### PISTON NEBULISER

Polypropylene Material - Full ABS Body  
Pressure range of 30-35 PSI  
Working flow of 6L - 11L per minute

## 8.ASTRANEB NEBULISER PLUS

### PISTON NEBULISER PLUS

Polypropylene Material - Full ABS Body  
Pressure range of 30-35 PSI  
low noise with Storage Compartment for Adults & Kids

## 9. Air Mattress

Material type

: Medical grade pvc

Noise Level

: Low noise and low vibration

User friendly control

: With adjustable pump system,

Knob to adjust pressure,

Durable material

Special Features

: Alternating bubble mattress,

Anti decubitus,

Alternate therapy

## WHY ASTRA MED TECHNOLOGIES

### STRINGENT COMPLIANCE

Adheres strictly to industry regulations, ensuring international manufacturing and safety standards

### CUSTOMER-CENTRIC APPROACH

Prioritizes customer satisfaction, fostering strong relationships with healthcare providers and distributors

### COMMITMENT TO SUSTAINABILITY

Dedicated to environmentally responsible practices, using sustainable materials and production processes

### RESPONSIVE TO MARKET NEEDS

Adapts product offerings to emerging healthcare trends, positioning the brand as dynamic and forward-thinking

### RELIABILITY AND CONSISTENCY

Known for consistent, reliable product quality crucial for healthcare providers

### COMPREHENSIVE SURGICAL PRODUCT RANGE

GEOCARE offers a comprehensive range of surgical products

### QUALITY ASSURANCE

Maintaining high product standards through rigorous quality control measures
