# ASTRANEB. COMPRESSOR NEBULIZER

## PORTABLE MESH NEBULIZER

BATTERY OPERATED

COMPACT DESIGN

USB POWERED

Polypropylene Material - ABS Body  
Easy to Carry - Portable  
Noise level below 50DB

## COMPRESSOR NEBULIZER PLUS

SAFE & SECURE

ONE BUTTON OPERATION

EASY TO CARRY

Polypropylene Material - Full ABS Body  
Pressure range of 30-35 PSI  
low noise with Storage Compartment for Adults & Kids

## COMPRESSOR NEBULIZER

LOW NOISE

FAST & EFFICIENT

ONE BUTTON OPERATION

Polypropylene Material - Full ABS Body  
Pressure range of 30-35 PSI Working flow of 6L - 11L per minute

## BLOOD PRESSURE MONITOR FULLY AUTOMATIC ARM-STYLE

RE-CHARGEABLE  
BATTERY

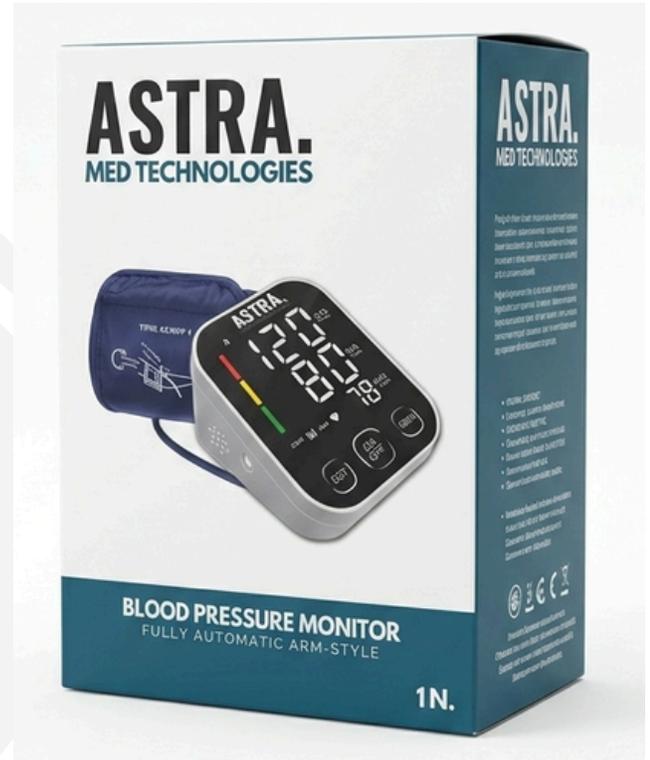

LED DISPLAY

VOICE REPORT

THE ASTRA BLOOD PRESSURE MONITOR IS AN ULTRA-LIGHTWEIGHT DEVICE THAT IS DESIGNED TO MAXIMIZE PATIENT COMFORT TO OBTAIN MEASUREMENTS.

- LIGHT WEIGHT & COMPACT SIZE- 202G, 116(W)\*95.5(H)\*59(D) MM
- NEW PULSE CORRECTION ALGORITHM FOR FASTER MEASUREMENT AND NOISE REJECTION
- USB CONNECTIVITY CHARGING PORT
- CAN STORE UP TO 99 PAIRS OF MEMORY
- PROTOCOL ISO810601

## AIR MATTRESS ANTI - DECUBITUS MATTRESS SYSTEM

LOW  
NOISE

FAST &  
EFFICIENT

ONE BUTTON  
OPERATION

THERAPY FOR BED SORES

- HIGH PERFORMANCE MOTOR PRESSURE RANGE OF 70-120 MM HG WITH AIR-OUTPUT OF 5-7 LITERS/MIN
- SUPERIOR QUALITY MATTRESS MADE-UP OF MEDICAL GRADE PVC WITH THE DIMENSIONS OF 190CM \* 92CM , 130 BUBBLE CELLS
- ASTRA MATTRESS COME WITH A EXTRA END FLAPS OF SIZE 2\*35 CM
- AUTO-ADJUSTING AIR BUBBLE WITH ALTERNATING PRESSURE THERAPY

# WHY ASTRA MED TECHNOLOGIES..?

## STRINGENT COMPLIANCE

Adheres strictly to industry regulations, ensuring international manufacturing and safety standards

## CUSTOMER-CENTRIC APPROACH

Prioritizes customer satisfaction, fostering strong relationships with healthcare providers and distributor's

## COMMITMENT TO SUSTAINABILITY

Dedicated to environmentally responsible practices, using sustainable materials and production processes

## RESPONSIVE TO MARKET NEEDS

Astra product offerings to emerging healthcare trends, positioning the brand as dynamic and forward-thinking

## RELIABILITY AND CONSISTENCY

Known for consistent, reliable product quality crucial for healthcare providers

## COMPREHENSIVE SURGICAL PRODUCT RANGE

ASTRA offers a comprehensive range of surgical products

## QUALITY ASSURANCE

Maintaining high product standards through rigorous quality control measures

# ASTRA. MED TECHNOLOGIES

## INNOVATION AND TECHNOLOGY

Utilizes cutting-edge tech, ensuring products are at the forefront of excellence

## ABOUT US

Innovating Healthcare, One Precision Product at a Time. At Astramedtechnologies, we lead the way in healthcare manufacturing with innovation, precision, and advanced technology. As a trusted producer of high-quality syringes and nebulizers, we prioritize safety, reliability, and excellence in every product. Our mission is to enhance patient care by equipping healthcare professionals with the best tools.

### Why Choose Astramedtechnologies?

**Innovative Solutions:** Pioneering healthcare advancements with cutting-edge technology.  
**Precision Crafting:** High-performance products designed with exceptional accuracy.  
**Quality Assurance:** Adhering to rigorous safety and performance standards.  
**Advanced Machinery:** Manufacturing excellence through state-of-the-art equipment. Expert Team:  
**Dedicated professionals** delivering reliable healthcare solutions.
